RAGECON

RENO AREA GAMING EXPO

SPONSORSHIP & EXHIBITOR INFORMATION

The best three days of tabletop gaming in Northern Nevada is proud to welcome you to our information booklet for potential sponsors and exhibitors.

Here you will find various ways to support RAGECON, while generating interest and sales for your business on a local and regional level.

Greetings from RAGECON!

RAGECON is the best three days of tabletop gaming in Northern Nevada! We are the region's newest and largest convention of our kind. We started our first year with a meager 75 badge sales, and had over 1200 badge sales in 2022! This growth is in part thanks to advertisers, sponsors, and exhibitors like you! RAGECON brings in many out of state players along with all of our locals. Our out of state growth was up considerably again in 2022.

Reno Area Gaming Expo, RAGECON, is held the last weekend in June every year in beautiful Northern Nevada. Even through we skipped 2020 & 2021, we saw an amazing attendance at our 2022 convention in our new home, the Nugget Casino Resort Convention Center in Sparks, Nevada!

After seven successful years we are going into 2023 with even more fun and events planned, while still retaining our core gaming roots. We offer three days of events including board games, card games, miniature games, RPGs, and many other games and events. This year we are looking at having 1000-1500 attendees at our expansive new home at the Nugget Convention Center. The size of the venue should allow for more activities and exhibitor opportunities than we have had in past years! We are also looking forward to being in downtown Sparks. This up-and-coming entertainment district has great food, drink, and shopping options for you to explore, all just outside the Nugget - in addition to all the amenities offered inside the Nugget itself!

With discounted room rates at the Nugget, we are confident our attendees will have a great time at the convention, and we would love for you to be a part of it. In addition to the fun of RAGECON, we invite you to experience the fun of Northern Nevada! The Reno area has had a huge growth in the last few years with Tesla building a major facility in the area. There's something for everyone here, from outdoor adventures at nearby Lake Tahoe, to the vibrant urban art scene of Downtown and Midtown Reno. We have old west ghost towns, delicious Basque food, and a lake in the middle of the desert. We invite you to take some time to enjoy all that Northern Nevada has to offer while you are here!

Please look over this information and let us know if you will be joining us for our highly anticipated delayed 7th year celebration. We are always just an email away if you have any questions.

Sincerely,

Jeff Jones

EXHIBITOR OPPORTUNITIES

ARE YOU INTERESTED IN BEING AN EXHIBITOR AT OUR CONVENTION?

Our gaming community is solid and always growing with some of the friendliest gamers around, and if you think your products or services would cater to the needs of our attendees and would be well received by all, we encourage you to apply to exhibit at RAGECON.

Selling at the convention puts your products or services into actual gamer's hands, leading to word of mouth advertising that generates post-convention sales. The focus of RAGECON is to provide a wonderful experience to our attendees. Offering an exhibitor room featuring a wide range of products and services is a key element of this focus. We hope to build an annual relationship with each of our exhibitors, so our attendees will know they can count on being able to get your products each year.

RAGECON also has a large play-to-win section and prize giveaways that you may donate products to. If you donate \$250 in product(s) to these you will automatically be considered a copper meeple level sponsor and receive all the benefits listed for sponsors under that level.
